If your favorite store does not have your Milo's in the refrigerated section, return this card to the store manager or make online requests using the UPC codes listed.

Milo's slogan, "Taste the difference," means that our beverages are different from others because we source natural ingredients, fresh brew all of our teas and never use colors, added acids or preservatives. Milo's drinks must be kept cold until they are enjoyed (similar to milk). Read the simple ingredient list on our juices and teas, and you will see the Difference. Drink Milo's and Taste the Difference.

Our Sweet Story

Milo's Tea Company is a family operated, certified woman owned business located in Bessemer, AL. Milo's was founded as a restaurant in 1946 by Milo and Bea Carlton after Milo returned from serving our country in World War II. Milo's philosophy was simple – use high quality, fresh, natural ingredients, listen to your customers and never sacrifice taste. We began selling Milo's fresh brewed Famous Sweet Tea to local Birmingham grocery stores in 1989. Now, Milo's beverages can be found in thousands of retail stores across the United States.
